

Thank you for your interest in Daniel Crower LLC dba Daniel Crower Racing (DCR) and in becoming a sponsored rider for our company. Sponsorships from DCR are determined by:

1. Class of rider; you must be either - A class Pro, B class Pro, or Intermediate.
2. Submit a current résumé that includes your current and previous year's results, as well as a list of races you plan on racing for the next racing season. Please submit current pictures in digital format. (Riders with no current race results may not be considered, consideration will depend on past results/future plans and is at the discretion of DCR)
3. Sponsorship compensation will be decided based on experience, the amount of races the rider participated in during previous or current year & their results; as well as the riders' plans for the next year. We are looking for riders who are racing nationally and plan to do so in the next season & beyond.
4. Once a rider has turned in their application/résumé and pictures, they will be considered and then notified of their sponsorship as soon as possible. No sponsorships are implied and are only valid once notified officially by DCR. All sponsorships are for one year and are at the discretion of DCR, the owners and staff. Riders will be expected to send race results to DCR and keep us updated on their race season.
5. Stickers/Signage - Once you are notified of your approved sponsorship, you must have decals/stickers on your bike at all times. It is the riders' responsibility to make sure they have enough decals/stickers or graphics kits so that there is appropriate signage on the bike at all times during the contract period. If you have a graphics kit for your bike we will need to be included in the graphics. Specific decal/sticker locations and sizes will depend on level of sponsorship. A separate approval letter will follow with your level of sponsorship and the required signage.

*Please fill out the attached application and Rider and/or Parent/Guardian Agreement/Disclaimer and mail, email, fax or drop it off, along with your current rider résumé and pictures in digital format. You can send a link to your hookit page instead of a résumé. If you are not a member of hookit, you should join as it is a good resource for you and your sponsors. (If you have a problem with printing these forms, type the requested information into an email for processing, and we can help you with the rest.)

*Once your application and picture(s) are received we will process your information and get back to you as soon as possible. If you need to order parts immediately please call and ask for your application to be expedited.

Thanks again for your interest in our company. Please call with any questions.

Sincerely,

Daniel Crower - President
